AIRFRESH UNIT

(AEROSOL, LCD)

Enviro-LCS™ LCD programmable automatic aerosol airfresh system is the ultimate Airfresh system available worldwide. Using state of the art technology programming the unit with time on, time off and spray interval, you have full control of the level of natural oil fragrances dispensed by CFC-free aerosol cans which are made in Australia. Enviro-LCS™ Airfresh unit delivers constant fragrance unlike the 'gel' type Airfresh systems. Incorporated with our service option we can keep your washroom smelling fresh for every user.

OPTIONS: Fully serviced, hire and you service, or purchase.

SERVICE FREQUENCIES AVAILABLE:

Bi-weekly, weekly, fortnightly, three weekly, monthly, six weekly, quarterly. All services include Touchprobe™ attendance verification and computer scheduling (see Touchprobe™ brochure).

CONSUMABLES AVAILABLE: Fragrance cans.

OTHER RECOMMENDED PRODUCTS AND SERVICES: Urinal and WC Deepclean and sanitisers.

FURTHER INFORMATION: For further information regarding any of our washroom products, contact Enviro-LCS™ on (02) 9310 1400, or visit our website at www.enviro-lcs.com.au.
