SOAP DISPENSERS

POLYPROPYLENE: The Enviro-LCS™ Polypropylene soap dispenser is the economical solution to dispensing liquid soap. Integrated into the unit is a soap level indicator and a push nozzle (no drip). The dispenser comes complete with a stylish marble finish which complements the Enviro-LCS™ air freshener for a uniform look in your washroom. The dispensers have a capacity of 1ltr and 1.8ltrs of liquid soap.

NO-TOUCH (AUTO): Enviro-LCS™ No-Touch (Auto) soap dispenser is the most hygienic way of dispensing liquid soap. By simply waving your hand under the dispenser a sensor detects your hand and delivers a measured dose of liquid soap, without there being any physical contact whatsoever.

OPTIONS: Fully serviced, hire and you service, or purchase.

SERVICE FREQUENCIES AVAILABLE:

Weekly, fortnightly, three weekly, monthly, six weekly. All services include Touchprobe™ attendance verification and computer scheduling (see Touchprobe™ brochure).

CONSUMABLES AVAILABLE: High grade liquid hand soap 25ltrs and 5ltrs.

OTHER RECOMMENDED PRODUCTS AND SERVICES: Hand dryers.

FURTHER INFORMATION: For further information regarding any of our washroom products, contact Enviro-LCS™ on (02) 9310 1400, or visit our website at www.enviro-lcs.com.au.
